

During Confirmation, students will be able to choose a saint name they will bear, also known as their Confirmation Name:

- **This saint is someone you find interest in, who you can pray with, intercede through, and look to as a role model of the Catholic faith.**
- **The Saint you choose *does not* have to be the same as your Baptism Saint. They are also not required to be the same gender as you** (ex: If you are a boy, you are welcome to choose Mother Mary as their Saint, a girl can choose Saint John the Baptists as theirs)
- The purpose of this assignment is for you to learn more about the saints, and in particular, about the saint you will choose to be your Saint/Confirmation name. The assignment will be graded on content, structure, professionalism, and effort.

WRITTEN REPORT - To complete the Saint Project you will be writing a traditional report. All reports must be typed, printed, and physically turned into the office. Reports must include all information listed about the Saint:
